A field on higher ground in Agridia, this agricultural land...

For Sale : **€ 0**

Description
A field on higher ground in Agridia, this agricultural land covers 9423 m² in an open countryside setting among the Limassol hills. Its agricultural zoning suits farming, planting or holding land in the area, and it could be a practical addition to an existing agricultural holding nearby.

The village centre is a short drive away, as are the neighbouring villages of Chandria and Kyperounta, with petrol stations and the main roads within a drive. This sale is for a one-eighth share of the field. A sizeable piece of agricultural land in the Cypriot countryside.
