Description
An agricultural field in Agridia, set in an open countryside setting in the Limassol district, with a plot area of 1673 m². The land is zoned for agricultural use, which makes it a straightforward option for farming or planting. The surroundings are landscape-led, away from dense urban development.

The village centre is a short drive away, as are the neighbouring villages of Chandria and Kyperounta, and petrol stations and the main roads can be reached by car. This sale is for a one-eighth share of the field. It is a versatile piece of farmland in the countryside around Agridia.
