For Sale : **€ 1,800**

Description
A field of 2676 m² on higher ground in the Malia countryside, set in open rural land away from dense development. The land has an irregular shape and a sloping surface, typical of the hill country in this part of Limassol district.

The village centre of Malia is a short drive away, as are the neighbouring villages of Pachna and Kissousa. A petrol station and main roads are a drive away, and the Limassol–Paphos Motorway can be reached by car. This is a straightforward piece of open countryside in the Limassol hills.
