For Sale : **€ 4,500**

Description
A field on the market in Malia, Cyprus, set in the open countryside of the Limassol district. The land covers 8027 m² on an irregular, sloping plot, giving a generous stretch of ground in a landscape-led setting away from dense urban development.

The Malia village centre is a short drive away, as are the neighbouring villages of Pachna and Kissousa. Main roads and the Limassol - Paphos Motorway can be reached by car, and a petrol station is also a drive away. The result is a sizeable, sloping piece of land in the Malia countryside.
