For Sale : **€ 1,700**

Description
Open countryside surrounds this agricultural field in Sotira, an 8800 m² parcel of rural land set well away from dense development. The ground has a regular shape and a sloping surface, which gives it a simple layout. The surrounding area is within easy reach of the village centre, the neighbouring villages of Kantou and Episkopi, and the Limassol–Paphos Motorway. The field itself has no direct road access. This sale is for a one-fifth share of the land. It is a regular, sloping parcel of open countryside in the rural Limassol district.
