For Sale : **€ 3,000**

Description
Just a few steps from the heart of the village, this residential field for sale in Paramytha sits within authentic Cypriot village life, with the wider Limassol area within easy reach. It is a setting with a strong local identity, where the community centre, everyday life and green surroundings all feel close at hand.

The land itself is simple and well-proportioned: a flat, rectangular field on residential land, the kind of uncomplicated shape that is easy to picture and easy to understand. Restaurants, cafés, schools and a park are a short drive away, as are the main roads, while supermarkets, a medical centre and Limassol General Hospital are a drive away. The Kalochi nature spot and neighbouring Spitali add to the appeal of the surroundings.

Paramytha offers a slower pace and a close-knit community without losing touch with the town. This sale is for a one-eighth share of the field. A flat piece of residential land, moments from the village centre, in a place with genuine character.
