For Sale : **€ 1,700**

Description
Close to the village centre, this residential field for sale in Paramytha sits in a community with a strong local identity and the relaxed pace of Cypriot village life. Restaurants, cafés, schools and a park are a short drive away, as is the green setting of Kalochi and the neighbouring village of Spitali.

The land is flat and neatly rectangular, an uncomplicated shape on a plot of 251 m² in a residential zone. Please note that the field has no direct road access of its own.

Everyday needs are well covered. Main roads and petrol stations are a short drive away. Supermarkets, a medical centre, public offices, motorway junctions and Limassol General Hospital are all within a drive. Sports fans will find the Spyros Kyprianou Athletic Centre within easy reach too.

This sale is for a one-eighth share of the field. It offers a place in authentic Paramytha, on level residential land close to the heart of the village.
