

For Sale, Land, Field, Limassol, Paramytha, 353m²

Authentic Cypriot village life, with Limassol never
far away...

For Sale : **€ 2,200**

Description
Authentic Cypriot village life, with Limassol never far away. This residential field for sale in Paramytha lies a short walk from the heart of the community, among the familiar rhythms of a close-knit neighbourhood.

The land is flat and neatly rectangular, an uncomplicated shape that is easy to picture and understand. It sits on residential land, the kind of setting meant for homes, surrounded by the village rather than set apart from it.

Everyday needs are well covered. Restaurants, cafés, schools and a park or green space are all a short drive away, as is the nature spot of Kalochi for a breath of fresh air. Supermarkets and shops, a medical centre, Limassol General Hospital and the motorway junctions are a drive away, keeping the wider city and the rest of the island within comfortable reach.

This sale is for a one-eighth share of the field. What it offers is a stake in Paramytha itself: flat residential land close to the village centre, with the conveniences of Limassol close at hand.
