For Sale : **€ 6,000**

Description
Village life sets the tone here. This field lies close to the centre of Paramytha, in the Limassol district, where the everyday rhythm of a small community is right on hand.

The land is flat and almost rectangular, a simple, even shape that is easy to picture and easy to plan around. It sits within a residential zone, so its plain general use is room for a home in a village setting. The field has no direct road access.

Beyond the village centre, the green surroundings of the Kalochi nature spot are a short drive away, as is neighbouring Spitali, along with cafés and restaurants for a relaxed evening out. The wider services of Limassol, including the General Hospital, are a drive away.

The sale is for a 6/48 share of the field. What stays with you is the setting: level residential land, close to the heart of a welcoming Limassol village.
