For Sale : **€ 5,800**

Description
An agricultural field for sale in Pelendri, set in open countryside a short drive from the village centre. The land extends to 15084 m² of sloping, irregularly shaped ground with direct road access, so it is practical to reach for farming or planting.

The neighbouring villages of Potamitissa and Kato Mylos are a short drive away, as are petrol stations, and the main roads are a drive further on. A few old buildings of no economic value stand on the land. This sale is for a one-quarter share of the field. It is a versatile piece of sloping Pelendri countryside, zoned for agricultural use.
