For Sale : **€ 40**

Description
A small field for sale in Pelendri, Cyprus, set in open countryside in the Limassol district. The land covers 70 m² of agricultural ground. It has an irregular shape, a sloping surface and direct road access. The village centre and petrol stations are a short drive away, as are the neighbouring villages of Potamitissa and Kato Mylos. The main roads are a drive further on.

The field could be a practical addition to nearby agricultural or rural land. This sale is for a one-quarter share of the field. It is a compact, sloping piece of agricultural land with its own road access.
