Description
A field of 2602 m² in Moutoullas offers a piece of the Cypriot countryside on agricultural land, suited to farming or planting. Its size makes it a sensible choice for a modest cultivation project, or a practical addition to an agricultural or rural property already in hand.

The village centre is a short drive away, as are the neighbouring villages of Pedoulas and Kalopanagiotis. Petrol stations are close by, and the main roads are within a drive. The surroundings are open countryside, well away from dense urban development. This is an uncomplicated parcel of agricultural land in a rural village setting.
