Description
A field for sale in Moutoullas, Cyprus, with 5798 m² of agricultural land in an open countryside setting. The land is zoned for farming, which makes it a versatile piece of ground for planting and cultivation. It could also be a practical addition to an existing rural property.

The Moutoullas village centre is a short drive away, as are the neighbouring villages of Pedoulas and Kalopanagiotis. Petrol stations are close by, and the main roads are a drive away. This is a generous field of agricultural land in the countryside around Moutoullas.
