Description
In the farming countryside of Agios Georgios Kafkallou, in the Nicosia district, lies this agricultural field of 13,713 m². Its agricultural zoning makes it suited to farming or planting, or to keeping as a long-term land holding.

The village centre is a short drive away, as are the neighbouring villages of Nikitari and Vyzakia. The Astromeritis–Evrychou motorway is also within a short drive. A field of this size gives room to cultivate, plant or add to existing agricultural land in the area.
