Description
Set in an open countryside setting, this field in Saranti offers 2007 m² of agricultural land in the Nicosia district. It is zoned for agricultural use, so the ground lends itself to farming or planting, or to adding to an existing rural landholding.

The Saranti village centre is a short drive away, as are the neighbouring villages of Lagoudera and Livadia. A petrol station and the main roads, including the Astromeritis–Evrychou Motorway, are within a drive. This is a straightforward rural purchase: a versatile piece of farmland in the countryside.
