Description
In the hill village of Saranti, this agricultural field covers 14,047 m² of open countryside. The generous size gives plenty of room for planting and cultivation, or for keeping a sizeable piece of rural Nicosia land.

The village centre is a short drive away, as are the neighbouring villages of Lagoudera and Livadia. Petrol stations and the main road network, including the Astromeritis–Evrychou Motorway, are also within a drive. This is a versatile, uncomplicated plot of agricultural land in the Saranti countryside.
