**Description**
This agricultural field for sale in Kato Moni offers 7,358 m² of open land in the Nicosia countryside. Its agricultural zoning suits planting and cultivation. It could also be a practical addition to an existing farm or rural holding.

The village centre is a short drive away, as are the neighbouring villages of Agioi Iliofotoi and Agia Marina Xyliatou. Main roads, a petrol station and the motorway network are all within a drive. Kato Moni lies in a rural setting away from dense urban development. The field gives a generous area of agricultural land to work in an open countryside setting.
