Description
A piece of the Cypriot countryside, this small field of 326 m² belongs to the village of Palaichori Oreinis in the Nicosia district. It sits in an open rural setting, well away from dense urban development. The neighbouring villages of Agios Epifanios Oreinis, Gourri and Kalo Chorio Oreinis are a short drive away. A petrol station is within driving distance, and the Astromeritis–Evrychou motorway serves the wider region. The field is offered together with a group of other properties rather than on its own. It is a compact, uncomplicated parcel of open countryside land.
