Description
A field of 493 m² in Palaichori Oreinis, in the Nicosia district, set in open countryside away from dense urban development. This compact parcel is a simple piece of the Cypriot countryside, within a short drive of the neighbouring villages of Gourri, Agios Epifanios Oreinis and Kalo Chorio Oreinis. A petrol station is a drive away, and the main roads of the wider region, including the Astromeritis–Evrychou motorway, link the area with the rest of the district. The field is offered together with other parcels as one group rather than on its own. It is an uncomplicated parcel of rural land on the edge of Palaichori Oreinis.
