For Sale : **€ 0**

Description
A short drive from the village centre of Politiko, this agricultural field covers 14,716 m² in the Nicosia district. Most of the land is zoned for agriculture and suits farming or planting. A small part lies within a protection zone.

The neighbouring village of Klirou is also a short drive away, and the Lefkosia South Orbital Motorway can be reached by car. This is a sizeable piece of farmland within the Politiko community.
