Description
For sale: a field in Agios Epifanios Oreinis, offering 13,499 m² of agricultural land in an open countryside setting in the Nicosia district. The ground slopes and the shape is irregular, following the natural lie of the hillside. The field has no direct road access.

The village centre and a petrol station are a short drive away, as are the neighbouring villages of Kalo Chorio Oreinis and Klirou. This is a sizeable parcel of farmland in a landscape-led setting, away from dense urban development.
