Agricultural land in Kampia, set in open countryside outside...

For Sale : **€ 3,000**

Description
Agricultural land in Kampia, set in open countryside outside the village and a short drive from Kapedes and Politiko. The field extends to 24081 m² of sloping, irregularly shaped ground. It is reached by a dirt track and is suited to both farming and livestock use. The village centre is a short drive away, and the Nicosia–Limassol and Larnaca–Nicosia motorways are within a drive. This sale is for a one-eighth share of the field. It is open, sloping farmland in the Kampia countryside, suited to grazing and cultivation.
