Description
This field in Gourri offers 4,090 m² of open countryside in the Nicosia district, set in a landscape away from dense urban development. The traditional village of Fikardou is within walking distance. The village centre and neighbouring Lazanias are a short drive away, a petrol station is within driving distance, and the main roads of the wider region connect the area with the rest of the district. It is a straightforward piece of the Cypriot countryside, with a generous 4,090 m² of open land.
