Description
Two adjoining fields of agricultural land in Ergates, Nicosia, are offered together as a single holding. The ground is smooth and even, with an irregular outline, and suits farming or planting in an open countryside setting. The land has no direct road access. The Ergates village centre is a short drive away, as are the neighbouring villages of Anagia and Episkopeio, petrol stations and the main roads. The Nicosia motorway network and its junctions are within a drive. This is a versatile piece of farmland on level ground.
