Description
Agricultural land in the hills around Tsakistra, offering 2007 m² of open ground for farming or planting. The field has an irregular shape and a sloping surface, and a dirt track runs across it.

The centre of Tsakistra is a short drive away, as is the village of Kampos, and Kykkos can be reached by car. The main roads of the wider region link the area with the rest of Nicosia district.

This is a modest, sloping field of agricultural land in an open countryside setting.
