For Sale : **€ 300**

Description
A small agricultural field on sloping ground in Kampia, a village in the Nicosia district with Politiko and Pera a short drive away. The land extends to 284 m², has an irregular shape with trees growing on it, and benefits from direct road access. The village centre and petrol stations are a short drive off, and the Nicosia–Limassol Motorway and the Lefkosia South Orbital Motorway are within reach.

Zoned for agricultural use, the field lends itself to planting, or to adding to other rural land in the area. This sale is for a one-quarter share of the field. It is a straightforward piece of Kampia countryside with direct road access.
