Description
This field is on the market in Kalopanagiotis, Cyprus, in an open countryside setting in the Nicosia district. It covers 2676 m² of agricultural land, with a sloping surface and an irregular shape. Its agricultural zoning suits farming or planting. The field has no direct road access.

Kalopanagiotis village centre is a short drive away, as are the neighbouring villages of Oikos and Moutoullas. Petrol stations are also within easy reach. This is a generous piece of agricultural land in a setting away from dense urban development.
