Description
Parks and green spaces lie right beside this detached house for sale in Agios Nikolaos, Larnaca, with supermarkets, shops and the GSZ Stadium all within walking distance. Schools, cafés, the hospital and the historic Kamares Aqueduct are a short drive away, and the centre of Larnaca is easy to reach.

The house spreads generously across three levels. The ground floor offers a living room, a sitting room, a dining room, a kitchen, an office and a shower room, giving the whole household room to spread out. Upstairs, four bedrooms share the floor with a second living room, a laundry room and two bathrooms. The lower level adds real versatility, with its own kitchen, dining area, office, storage, shower room and covered parking.

Outside, the garden, barbecue and covered and open patios make long, sociable evenings outdoors part of everyday life. Air conditioning keeps the summers comfortable, heating takes care of the winter months, and the house has direct road access.

A welcoming family home with space on every floor, set in a well-connected residential neighbourhood with green space on its doorstep.
