For Sale : **€ 150,000**

Description
Right in the centre of Choirokoitia, this three-bedroom ground-floor house places village life at your doorstep. Restaurants and cafés are an easy stroll away, so an evening meal or a morning coffee needs no car at all. A short drive brings you to the Neolithic Settlement that shares the village's name, a reminder of how long people have chosen to make their home here.

Inside, the rooms suit everyday life. A living room and a separate sitting room give space both for gathering with family and for quieter moments, while the kitchen, three bedrooms and a bathroom complete the home. A semi-basement space offers parking for your car, close to the front door.

The house stands on a corner plot that it shares with three other homes, all set within one piece of land in the middle of the community. It was built around 1980 and is currently occupied. The sale is for a 1/4 share of the property.

For anyone drawn to the warmth of a lived-in village, this is a home with its own place in the everyday heart of Choirokoitia.
