Village life, open countryside and room to
breathe come toge...

For Sale : **€ 191,000**

Description
Village life, open countryside and room to breathe come together in this house in Psathi, set on a generous plot of 3,759 m² in the Paphos hills. The neighbouring villages of Agios Dimitrianos and Thrinia are a short drive away, as are schools, supermarkets, cafés and green spaces. The Kannaviou Reservoir is within a drive for days spent close to nature.

The house is incomplete and still needs finishing. Once completed, it is planned around family living. An open-plan kitchen, living and dining area gathers around a fireplace. There are four bedrooms, two with their own en-suite shower rooms, plus a further shower room and a laundry room. Open verandas carry daily life outdoors, and covered parking keeps the cars out of the sun.

It is a chance to bring a family home to completion in Psathi, with the layout already set and the work of finishing still ahead. The rest is the land itself: a generous plot, your own front door and the authentic side of Cyprus all around you.
