For Sale : **€ 340,000**

Description
Pissouri moves at a gentle pace. It is a village where the sea is never far off and an evening can begin at a café table. This touristic field shares that setting. Restaurants and cafés sit right beside it, and the beaches are a short drive away.

The land covers 5,909 m² in an almost rectangular shape. Its surface is smooth and even, a simple, open stretch of ground that is easy to take in on a first walk. Its touristic zoning points to tourist use, rooted in a village known for its unhurried Mediterranean way of life.

The field has no direct road access.

What stays with you is the setting: Pissouri's relaxed rhythm all around, a table for coffee or dinner just next door, and the sea within reach. It is ground that lets you picture a place in one of the coast's most likeable villages. Well worth a visit.
