Daily life in Apostolos Varnavas keeps the essentials close....

For Sale : **€ 151,000**

Description
Daily life in Apostolos Varnavas keeps the essentials close. Supermarkets, shops and schools are within walking distance, and the centre of Limassol is a short drive away. In this residential neighbourhood of Kato Polemidia stands a semi-detached three-bedroom house on a flat plot with direct road access.

The home is laid out around the moments that shape a day. There is a kitchen for unhurried breakfasts, a living room for winding down and a dining room where meals can stretch into the evening. Three bedrooms, a bathroom and a guest toilet complete the interior, giving everyone a space of their own.

Outdoors, covered verandas offer a sheltered place to sit as the day ends. An auxiliary building adds extra room, and a covered parking space keeps the car out of the sun. Built in 1982, the house sits within a sizeable plot.

The sale concerns a 1/2 share of the property. It is a welcoming home where shops, schools and the life of Limassol all stay within easy reach.
