For Sale : **€ 35,000**

Description
Just a short way from the sea in Kato Pyrgos, this residential field looks out over the surrounding area. The village centre is a short drive away, and neighbouring Pano Pyrgos is close by, so everyday shops, cafés and village life are never far off.

The land covers 8,465 m². It has an irregular shape and an uneven surface, and its residential zoning gives room for a home in a coastal village setting. Access is along an unmade dirt track rather than a public road. Part of the land is subject to requisition.

The land is currently occupied. The sale is for a 1/2 share of the land.

The sea close at hand, a pleasant view across the countryside and the village within easy reach give this corner of Kato Pyrgos its quiet appeal, a place to picture a home by the coast.
