Description
Village life in the Limassol countryside comes with real independence in this semi-detached 2-bedroom house in Klonari. It offers your own front door, a community setting and the authentic side of Cyprus, away from dense urban development.

Inside, the layout is honest and uncomplicated: a living room for relaxed evenings, a kitchen, two bedrooms and a bathroom, with 90 m² of comfortable everyday space. The plot is compact and regular in shape, and the house has direct road access, which makes daily comings and goings simple.

Restaurants, cafés, parks and a sports venue are a short drive away, as are the neighbouring villages of Vikla and Akapnou. A school is within a reasonable drive. The main roads are close at hand, and the motorway is a longer drive away, so Limassol is within reach when you need it. For weekends, Kalavasos Lake and the ancient site of Amathus are both a drive away.

Klonari offers a slower pace and a close-knit community. This practical house gives you a place to put down roots in genuine Cypriot village life.
