Description
An agricultural field for sale in Anarita, set in open countryside near the Asprokremmos Dam. The parcel covers 2676 m² of smooth, irregularly shaped ground and has direct road access along more than one side. Its agricultural zoning suits farming or planting. A livestock farm stands within the parcel, with four buildings and a storage building. The Anarita village centre is a short drive away, as are neighbouring Foinikas, petrol stations and the Limassol–Paphos motorway junctions. This is a level piece of farmland with good road links in a rural part of Paphos District.
