For Sale : **€ 70,000**

Description
Set within walking distance of Giolou's cafés and restaurants, this residential field for sale in Cyprus offers space to breathe in authentic village surroundings in the Paphos hills. At 3345 m², it is a generous plot on residential land, the kind of setting where a family home could take shape amid traditional village life.

The land is regular in shape with a sloping surface, giving it an honest, uncomplicated character. Around it, everyday life keeps to a slower pace, while supermarkets, shops and petrol stations are a short drive away, with schools and main roads within reach.

The wider landscape is part of the appeal. The neighbouring villages of Miliou and Old Theletra are close by, and the open water and green surroundings of Evretou Lake make for easy weekend outings. Further afield, the motorway links the area to the rest of the district.

For anyone drawn to the authentic side of Cyprus, Giolou offers a closer connection to nature without losing touch with village comforts. A spacious residential plot, rooted in a community with a strong local identity.
