High in the Limassol hills, Foini keeps its
mountain village...

For Sale : **€ 46,000**

Description
High in the Limassol hills, Foini keeps its mountain village character: old lanes, a close-knit community and the Troodos National Forest Park a short drive away. This residential field in Foini, Cyprus, sits just outside the village centre, where daily life still moves at a slower pace.

The land is generous and sloping, with an irregular shape that follows the hillside. A dirt road runs through it and gives direct road access. Its residential zoning points to a home in the hills, surrounded by the landscape rather than dense development.

Everyday needs are well covered. Cafés, restaurants, schools, a medical centre and petrol stations are a short drive away, as are the neighbouring villages of Kato Platres and Mandria. Main roads are close at hand, and larger supermarkets and shops are a drive away.

This sale is for a half share of the field. What stays with you is the setting: authentic Cypriot village life, with the forests of Troodos almost on the doorstep.
