Description
Set in the open countryside of Dora, this sloping field covers 7,358 m² of land in a landscape-led setting, away from dense urban development. The ground is irregular in shape and lies on an incline, which gives the parcel a natural, rural character.

The village centre is a short drive away, as are the neighbouring villages of Mousere and Prastio. The Limassol – Paphos Motorway can be reached by car. The field itself has no direct road access. It is a generous, uncomplicated piece of the Cypriot countryside in the Dora area.
