Description
A piece of the Cypriot countryside in Alektora, this agricultural field covers 4014 m² of sloping ground in an open rural setting, away from dense development. Its irregular shape follows the natural lie of the land.

The village of Alektora and neighbouring Pissouri are both a short drive away, with the Limassol–Paphos Motorway and petrol stations within easy reach of the area. The field itself is landlocked and has no direct road access.

It is an uncomplicated rural plot of 4014 m² of sloping land in the Limassol countryside.
