For Sale : **€ 198,000**

Description
Cafés, restaurants and everyday shops sit right beside this three-bedroom house in Frenaros, so the morning coffee and the weekly groceries are only a stroll away. Schools, medical centres and the village centre are a short drive, and the motorway is within easy reach for trips along the coast.

The ground floor is laid out for family life. There is a living room, a separate dining room and a kitchen with its own small dining corner and sitting area, along with a laundry room and a shower room. The three bedrooms are set on a raised level above the living spaces, and one has a wardrobe and its own bathroom.

Below the house, a basement provides covered parking and storage, with a further store outside. The fenced yard and covered verandas give you room to eat and relax outdoors through the long Cypriot summer. For walks in nature, Paralimni Lake is a short drive away.

This sale is for a one-tenth share of a wider residential plot, which corresponds to this house. It is a practical, welcoming home in a village that keeps daily life close at hand.
