For Sale : **€ 81,000**

Description
For sale in Ormideia, this detached single-storey house sits on a generous corner plot of 1000 m² in a residential setting the area itself describes as developing and attractive. Supermarkets, shops and public service offices are within walking distance, so everyday errands stay simple and local.

Inside, the layout is honest and uncomplicated: a kitchen, a living room with a dining area, two bedrooms, a main bathroom and a guest bathroom, all on one level. It is a practical arrangement for comfortable everyday living, with your own front door and plenty of land around you. The corner position gives the plot direct road access.

Life in Ormideia offers traditional village charm with easy links beyond it. Restaurants, cafés, schools, parks and the village centre are a short drive away, as is neighbouring Xylotymbou, while the Larnaca to Agia Napa motorway is within easy reach for trips along the coast or into town.

This sale is for a one-quarter share of the property. What stays with you is the land: a broad residential corner plot with a house at its heart, in a well-connected village setting.
