Description
Restaurants, cafés and the ancient site of Tamassos sit right on the doorstep of this detached house for sale in Politiko. The village has a strong local identity, yet main roads are only a drive away when the working week calls.

Spread over a ground floor, an upper floor and a semi-basement, the split-level layout gives 175 m² of versatile accommodation. There is room to spread out, and space that can adapt as the household grows. Covered verandas of 40 m² are made for long, sociable evenings outdoors. The yard and garden give you your own patch of green within a fenced plot of 632 m². A covered parking space and air conditioning for the summer months add everyday practicality.

Daily life moves easily between village and town. Schools, supermarkets, shops and petrol stations are a short drive away, as are neighbouring Pera and Episkopeio. The open landscape around Tamasos Lake makes for an easy weekend escape.

From morning coffee on the veranda to an evening stroll past ancient Tamassos, this is a home that brings generous space and authentic Cypriot village life together.
