

For Sale, Land, Plot, Nicosia, Kaimakli, 772m²

Kaimakli sits within easy reach of the heart of the capital,...

For Sale : **€ 120,000**

Description
Kaimakli sits within easy reach of the heart of the capital, and this commercial plot in Kaimakli, Nicosia, is right in the flow of city life. Main roads and petrol stations are next door, and the city centre is close at hand. It is a convenient urban setting where visibility and access come naturally.

The land extends to 772 m² on an even surface, with direct road access from the public road. Its commercial zoning points towards business use, a flexible footing for a project shaped around a busy, well-connected location.

Everyday convenience is all around. Schools, supermarkets, shops, restaurants and cafés are within walking distance, along with parks and public service offices. Medical centres, bus stations and the North Pole Stadium are a short drive away.

This sale is for a one-third share of the plot.

It offers an appealing balance of location, function and flexibility, in a part of Nicosia where the city comes to life.
