Description
Open countryside surrounds this field of 6,021 m² near the village of Agios Epifanios Oreinis, in the Nicosia district. It is an agricultural land listing with a generous amount of ground, set well away from dense urban development. The land has an irregular shape and a sloping surface that follows the natural lie of the landscape. The field is landlocked and has no direct road access. The village centre is a short drive away, and so are the neighbouring villages of Kalo Chorio Oreinis and Gourri. A petrol station lies within a drive. This is a sizeable and uncomplicated piece of the Cypriot countryside.
