Description
This field for sale in Saranti offers 4683 m² of countryside land, set in an open landscape away from dense development. The ground is sloping and irregular in shape, and the land has direct road access along one side.

It lies just outside the heart of the village, with the neighbouring villages of Lagoudera and Kannavia a short drive away. Petrol stations and the main roads, including the Astromeritis–Evrychou Motorway, are within a drive. This is a generous piece of the Saranti countryside with direct road access.
