For Sale : **€ 70,000**

Description
A generous field of 40,400 m² in Aglantzia, set in an open countryside setting within Nicosia District. This agricultural land has a sloping surface and an irregular shape, and it has direct road access.

Main roads, petrol stations and motorway junctions are a short drive away, as is Latsia, and the Limassol–Nicosia Motorway is close at hand for travel across the island. This sale is for a one-fifth share of the field. It is a sizeable piece of the Cypriot countryside with good links to the capital's road network.
