For Sale : **€ 30,000**

Description
A level, rectangular field for sale in Alampra, set within residential land in the Nicosia district. The village has a strong local identity and a slower pace, yet it sits within easy reach of the capital and the coast road to Larnaca. The even surface and tidy shape make the parcel uncomplicated to understand and pleasant to walk.

Daily life is well served nearby. The village centre, schools, supermarkets and shops, restaurants and cafés, and public service offices are all a short drive away. Neighbouring Pera Chorio and Nisou add further choice, and Chalkanoras Stadium is close at hand. Parks and green spaces lie a little further afield.

Connections are a real strength. Motorway junctions are a short drive away, so Nicosia and Larnaca are both comfortably within reach while home life stays rooted in authentic Cypriot village surroundings. A main road is within walking distance.

This sale is for a half share of the land. Alampra offers an appealing balance of village character and practical connections, with a well-proportioned parcel at its heart.
