For Sale : **€ 16,000**

Description
Set in open countryside, this agricultural field in Kampia offers 10034 m² of versatile land for farming or planting. The ground slopes and the field has an irregular outline. It is reached by road, which makes everyday work on the land straightforward. The field lies in the farming country of Nicosia district, a short drive from the villages of Kapedes and Politiko and from the Kampia village centre. The motorways linking Nicosia with Limassol and Larnaca are a drive away, along with petrol stations and main roads. It is a generous, uncomplicated piece of agricultural land in the Cypriot countryside.
