For Sale : **€ 10,000**

Description
An agricultural field for sale in Orounta, set in open countryside in the Nicosia district. The land measures 5017 m² and lies in an area set aside for farming and animal breeding, so it suits grazing, livestock or cultivation.

The ground slopes and is irregular in shape, in keeping with the rural landscape around the village. The village centre is a short drive away, as are the neighbouring villages of Potami and Kato Moni, in a setting well away from dense urban development.

This is a generous piece of sloping farmland in the Orounta countryside.
