For Sale : **€ 8,000**

Description
This is a share of an agricultural field in Astromeritis, set among the farmland around this Nicosia village. The field covers 4348 m² of level ground with an irregular outline. A stream runs along one of its borders. Its agricultural zoning suits cultivation or planting.

The village centre and petrol stations are a short drive away. Potami is close by, Peristerona is a little further, and the motorway is within easy reach for trips towards Nicosia. The field itself has no direct road access. This sale is for a one-fifth share of the land. It is a level, open piece of Astromeritis countryside with a stream along its edge.
